Sunday Lunch

Dartmoor Farmers have been farming in the Dartmoor national park for thousands of years, with their animals being born, reared there. They roam freely the moorland, and this really does create the most wonderful tasting beef and lamb.

Beech Ridge Farm is committed to rearing all its chickens, turkeys, ducks, and geese in a totally 'free range' environment. So during the day, most of our birds have free run of the farm – just as nature intended.

Children's Roast / Small Appetite
